

What is NNY912?

NNY912 is an educational organization, focusing on promoting the Classical Liberal Arts (also known as Liber or Leadership) Education that many of the Founding Fathers received.

We believe that a restoration of America to her proper form and function begins with guiding individuals towards living a moral, virtuous and principled life. The individual then sets the example for his family, the family for the community, the community for the state and the state for the nation.

Although we share many of the same goals and ideals, we are not a "Tea-Party". We rarely use political activism and do not endorse political candidates.

We ask that our members agree with and be willing to live by at least 7 of the following 9 principles and the 12 values that follow:

1. America is good.
2. I believe in God and He is the Center of my Life.
3. I must always try to be a more honest person than I was yesterday.
4. The family is sacred. My spouse and I are the ultimate authority, not the government.
5. If you break the law you pay the penalty. Justice is blind and no one is above it.
6. I have a right to life, liberty and pursuit of happiness, but there is no guarantee of equal results.
7. I work hard for what I have and I will share it with who I want to. Government cannot force me to be charitable.
8. It is not un-American for me to disagree with authority or to share my personal opinion.
9. The government works for me. I do not answer to them, they answer to me.

**Honesty • Reverence • Hope • Thrift • Humility • Charity • Sincerity • Moderation • Hard Work • Courage  
Personal Responsibility • Gratitude**
